

The Mount Calvary Cemetery Group has been serving the veteran's community since 1859. Our commitment to honoring those who have served this great nation has never been stronger.

In 1984 the Mount Calvary Cemetery Group assumed the control of neighboring cemeteries Buffalo and Ridge Lawn in Cheektowaga, New York. These cemeteries had fallen into disrepair and financial difficulties. In 1987 the former Buffalo Cemetery property at the corner of Harlem Road and Genesee Street became Pine Lawn Cemetery and Columbarium. This corner was once anchored by V.F.W. Post 2429.

Veterans Square was created in 1991, with the goal of providing the veterans community a place to call home. This section of the cemetery is allocated to the veteran and their immediate family only. A courtyard style area features a four-foot high niche wall in striking jet black granite. A 60 foot flag pole proudly flies our stars and stripes. The cannon that once stood tall at the entrance of V.F.W. Post 2429 now stands guard at Veterans Square.

Veterans Commemorative Wall

Honoring those who have proudly served

These granite walls grace the north entrance of Veterans Square "A Place of Honor". It was designed to honor all veterans from all branches of service. To recognize and honor those brave men and women who served their country, this memorial wall provides the opportunity to have a veteran's name inscribed along with their branch of service. Each name inscription is \$150.
